MUNICIPAL BULLETIN No. 3

STATISTICS OF ONTARIO MUNICIPALITIES

The statistics in this Bulletin are compiled from schedules for 1908 fnrnished by the Bureau to the Municipal Clerks and Treasurers of Ontario. Many of these officers have not yet returned the schedules. In most of these cases the figures of debenture debt and of sinking funds are taken from the reports of municipal auditors, while in a few cases we have had to repeat the figures of the preceding year in absence of any returns. These statistics are subject to revision in the Annual Report, where totals for the Province will be given.

We have endeavored in the Bulletin to give in a concise form for all municipalities, grouped into counties and districts, the population, area, assessed value, exemptions, taxation, debenture debts and sinking funds.

The Assessment Act of 1904 required assessors to place a value on all property, whether taxable or not. Column 18 of the Roll provided by the Act, would then show the amount of property exempt from all taxation or liable for local improvements only. Although the Act had been in force for three years, our investigations for 1907 showed us that less than one-sixth of the assessors followed the Act in recording the exempted property. However, by a persistent correspondence, assisted by the Municipal Clerks and Mayors or Reeves, who held conferences with the assessors, we are enabled to present a more complete return for 1908 than was given for 1907. We regret that there are several municipalities from which we have as yet been unable to get estimates for the Bulletin of the omission of the assessors. One clerk says, "I object to manufacturing statistics for the Government." Another says, "Act does not give the power to anyone but an assessor to place a value on exempted property;" or, "I am not at liberty to interfere with the rolls. If assessor fails to do his work it is no fault of mine."

In many cases of fixed assessment we have failed to get the real exemption, as assessors generally place the "fixed" value on the Roll, and neglect to record the excess in actual valué as an exemption.

W. O. GALLOWAY,
Statistician.

C. C. JAMES,
Secretary.
